

Project Roadmap Overview

Key milestones for the upcoming year

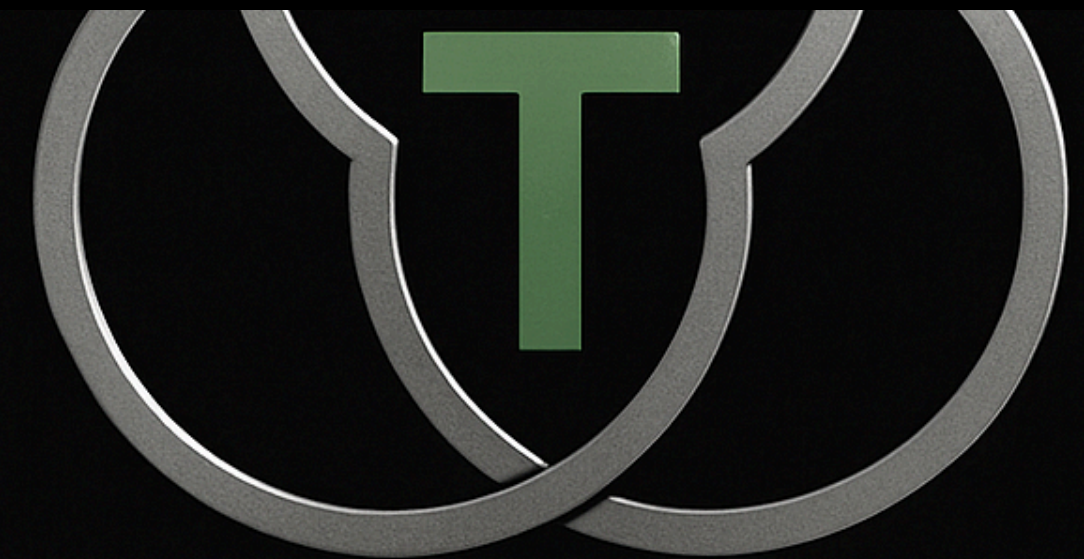

TRIBO

Our Mission and Vision for Crypto Digital Tribe

We aim to revolutionize digital finance by empowering individuals through **innovative blockchain solutions** that enhance community engagement and promote financial inclusivity.

TRIBO

Goals and Objectives

Defining the vision and path for Crypto Digital Tribe's growth and success in the competitive crypto landscape.

01

Launch our community-driven token by Q2 2025.

02

Develop a vibrant ecosystem for users and creators by Q3 2025.

03

Introduce innovative NFT collections and mini-app features by Q4 2025.

TRIBO

Overview of the Crypto Digital Tribe Platform

Explore the innovative features and capabilities
of our platform

Our platform offers **seamless integration** of token launches, community features, and NFT collections, ensuring a robust experience for users and fostering a vibrant digital ecosystem.

Key Milestones for Crypto Digital Tribe Project

Here are the essential milestones for our roadmap:

- Launch of the new token in Q2 2025
- Community development initiatives and engagement strategies
- Release of exclusive NFT collections by Q4 2025
- Implementation of mini-app features for user interaction

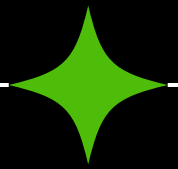

Token Launch Timeline Overview

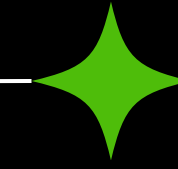

Q2 2025 Launch

Initial token launch will introduce the Crypto Digital Tribe to the market.

Q4 2025 Expansion

Community engagement strategies will enhance token adoption and user participation.

Q1 2026 Growth

Future collaborations and features will facilitate broader use and integration of the token.

Community Development Timeline

Token Launch

The initial token launch will engage our **growing community** and drive participation.

Community Events

We will host various events to foster **connections** and growth among our members.

NFT Collection Release

The release of our NFT collection aims to enhance **community engagement** and ownership.

NFT Collections Launch Timeline

Collection Release Phase 1

The first NFT collection will launch, introducing unique digital assets to the community.

Collection Release Phase 2

The second phase will expand the NFT offerings, increasing collector engagement and excitement.

Community Feedback Integration

We will gather community feedback to refine future NFT collections and enhance user experience.

Mini-App Features Development Timeline

Initial Concept Launch

The mini-app concept will be revealed to the community for feedback.

Beta Testing Phase

Users will participate in testing the mini-app to identify improvements.

Full Launch

The completed mini-app will be launched to the entire community for use.

Smart Contract Migration Timeline

Initial Audit Completed

The smart contract undergoes a thorough **security audit** to ensure reliability.

Migration Strategy Defined

We develop a detailed plan for the **migration process** to new platforms.

Launch of New Contracts

The new smart contracts are **successfully deployed**, enhancing platform functionality.

Future Growth Plans for Crypto Digital Tribe

Exploring innovative strategies for sustainable development and community engagement in the crypto space

Our future growth focuses on collaboration and innovation.

We aim to expand our user base by enhancing platform features, launching new token utilities, and fostering community engagement through educational initiatives and strategic partnerships for long-term success.

Thank You for Joining Us!

We appreciate your support and
participation in our journey.

Your involvement is crucial as we strive to create
a vibrant community and exciting opportunities
within the Crypto Digital Tribe project. Together,
we will achieve great things!
